Presented by Flo Avery & Other Delegates

## Join Me For A Training Session

Now that all delegates have been elected it is time for a little review, education and updates on the “dos and don’ts” of the Electoral College!

Who can attend?

What is the purpose of holding a college?

Who is in charge?

What is my responsibility?

What is the agenda?

*“Prepare your work outside;  
get everything ready for  
yourself in the field, and  
after that build your house”*

*Proverbs 24:27*

## Considering Running as a Delegate to the General Conference?

What are the responsibilities of a delegate?

How do I prepare for the responsibility?

What are the unexplained expectations?
